Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

## Description

A top-seller around the world and great in the shade! Much more color contrast and more vigorous than Heuchera 'Beauty Color'. Its dark gray-edged silver leaves with red venation are smoother and brighter, bigger, and better. Exceptional fall color, which we label as "pumpkin, neon orange."
