Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

Bred to fill landscapes! This large leaf H. villosa hybrid has a big mounding habit with purple, wavy leaves. Flowers on medium height stalks are not messy making it a lovely landscape or container plant. It performs extremely well in Oregon and should perform great in the midwest, east and south.
