Habit: Clumping, upright

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

One of TERRA NOVA®'s best Echinacea hybrids! Very upright with glowing watermelon-pink held in a perfect bouquet pattern. Dense, pine-green foliage covers this plant right to the ground. Dark, chocolate brown stems and matching eye contrast perfectly on this amazing plant. Stunning when planted en mass. A true standout as a specimen. Excellent in containers.
