Habit: Clumping, upright

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

## Description

Stout stems support over-sized double, ruby colored flowers. A wonderful and rugged addition to the new SUNNY DAYS™ series of double flowered, garden worthy Echinacea from TERRA NOVA®. An overachiever in all areas; performance, color and flower size. A true claret-ruby that has little color shift.
